PS i love you

Great Is Thy Faithfulness

*There are some songs that seem to say exactly what your heart is feeling. Great Is Thy Faithfulness is one of those songs for me. As I look at PS I Love You Ministries, I am reminded again and again of God's faithfulness. **He faithfully provides for the needs of the children and families we serve—and so often, He does it through His people.***

*One of the greatest examples of God's faithfulness is the group of faithful monthly givers who stand behind PS I Love You Ministries month after month. **We believe faithfulness is worth honoring.** This year, we're sending these faithful monthly partners a small magnet that says: BIG RED HEART CLUB: Member Since 20XX.*

It's not an award. It's a symbol of partnership. A reminder. They are part of the heartbeat. Steady. Consistent. Life-giving.

Our Big Red Heart Club may not always see the children who walk through our doors or know the names and stories of the foster families we serve. They help us plan ahead, respond to needs, and continue supporting children and families who serve them throughout the year. Their impact is greater than any spreadsheet can measure. Every gift becomes part of a story God is writing—a story whose complete results we may not see this side of eternity.

Great is Thy faithfulness.....Yesterday, today, and tomorrow. And we are so grateful that He allows each of us to be a small part of His faithfulness to the children and families we serve.

Back to School Shoe Event

Our Back-to-School Shoe Event was so much more than a shopping trip—we were able to serve foster families and bless 156 children with a backpack and new pair of shoes!

We were especially grateful for our Sheriff's Office partners, who didn't just show up. They walked alongside our families, helped the children pick out their shoes, shared laughs, gave high-fives, and created moments these kids won't forget.

Thank you to everyone who gave, served, prayed, volunteered, and loved so generously—you helped these children step into a new school year with confidence, hope, and assurance that they are deeply cared for.
