Supporting children in foster care and the families who serve them.

On a quiet Monday morning at the Resource Center, the doorbell rang and as I approached the window I saw 10 year old Bri. Her foster parents were with her and explained she was returning to live with a family member shortly after our visit. She wanted to come by PS I Love You to give to a charity of her choice and one that was meaningful to her. She quietly unzipped her small beaded wallet to pull out a \$5 bill and a small pack of candy. As she warmly smiled and handed it to me, I was found speechless.

This young girl had been in foster care for 1 ½ years and visited the closet multiple times, attended shoe events, and been sponsored for Christmas. We don't always get to see the fruit from our labor or the impact

PS I Love You has made in a foster child's life. Bri had a meaningful experience and wanted to give to a charity. Why? Because during a very difficult time in her life God used a positive experience to soften the load she was carrying.

It takes a lot of moving parts to provide resources at PS I Love You. Daily at the Resource Center, we are welcoming foster families to shop cost-free, along with receiving and sorting all sorts of donations, welcoming tours of our facility, planning events, expanding services, and so much more. There are dozens of ways you can support children in foster care and the families who serve them. How will you be a part of all that God is doing at PS I Love You!?!

Blessings, Kay Kirby
Executive Director

The Impact

- 773 visits to the Resource Center since January
- 24,259 items given to families
- 150 families served
- Partnered with 22 local organizations

Celebrate!

On August 4th, PS I Love You closed on our new building next door to expand services for foster families. (Pictured Above)

Needs for the new building:

- 100 black & yellow storage totes (27 gallon size)
- 6 Movable bins

Give to the
new building
today

This Summer, over 600 children in Spartanburg joined forces to show foster children they are loved through PS I Love You Ministries. Seven local churches partnered with the ministry during their VBS or kids camp events to teach children about the needs of children in foster care. When children learned about the need, they responded. \$6,397.02 was raised by kids, for kids in their own community who are surviving the effects of trauma they have endured.

**ON AUGUST 7TH
